PRESS RELEASE

TOGETHER, GABRIEL KELLER'S SECOND SINGLE

Λ FUNKY-POP FEATURING WITH EMI B.

LYRICS (EMI B.)

Verse 1 :

Waking up in the morning
Drink my cup of coffee and
Watching you still smiling
I come and whisper softly

The night seems a bit foggy
We didn't sleep, were too busy
Having fun that's the story
Talking and dreaming nothing naughty

Chorus 1 :

I couldn't be, couldn't more happy already
With you laying against me
Wouldn't ask for more or maybe one night for sure
Think about the life we could have : Together.

Verse 2 :

can see you are moving
There's not point in hiding

The night we had was amazing
That's what I've always been craving
Ever since we've been dating
You've always been so surprising

You can open your eyes to see that
I haven't left I am right here and
Watching you sleep is relieving
Stay with me it won't be deceiving

Chorus 2 :

I couldn't be, couldn't be more happy already
With you laying against me
Wouldn't ask for more or maybe one night for sure
Think about the life we could have : Together.

Final :

Waking up in the morning
Drink my cup of coffee and
I can feel myself smiling
I was in fact just dreaming... Of us together
Just dreaming... Of us together.
