

TRAIN TO RESOLUTION,

FIRST SINGLE RELEASED FROM GABRIEL KELLER'S ALBUM,
BACK TO ROCK BALLADS.

PRESS RELEASE

Gabriel Keller, artist and composer from Lyon, presents his first single from his album to be released : **Train To Resolution**. This single, sang in english is a tribute to the rock from the seventies. An acoustic ballad with a touch of influences from Pink Floyd, Led Zeppelin and the Beatles. A natural and pure sound with beautiful vocal harmonies and an acoustic guitar, picking in the background, are the secrets of this single.

Train To Resolution is a melancholic voyage that Emilie and the choirs' voices bring to light at each moment. At first acoustic, this song gains in intensity as it goes along until the final explosion that Charlie transcends with his electric guitar and Simon with his drums. If the music is a voyage, so are the lyrics. A voyage is necessary when wanting a break from everyday life becomes essential. Hopping on a train and leaving far away, without any real destination, just to find inner peace. Is leaving everything the solution ?
